

Sub Plans (4-7-2022)

Teacher: Leigh Jass

Room #: 113

Schedule For Today: Regular Schedule Without Bronco Pride - See Bulletin Board

Attendance can be found inside the blue folder.

Eat during A Lunch

1st/2nd/5th Period U.S. History- on google classroom

Students can work on their essays that were due on Thursday. I have also posted Unit 8 - Dropping of the bomb packet. It is posted to their google classrooms. I have a few copies for anyone that doesn't bring their computer or needs one because their computer is not charged. They should be working on one of these assignments.

3rd/4th/6th - World History - Assignments to work on Google Classroom

On the student's google classroom they should find an assignment **Holocaust**. There is an article 8.11 surviving the Holocaust that students should read. After they have read the article they should take the reading quiz that is attached to the google classroom assignment. After they have that completed they should start working on "Liberators and Survivors." This is a 15 minute video that they should be able to watch quietly. Then they should answer the 4 questions.

7th Prep.

8th - American Wars and Conflicts - Assignments to work on Google Classroom

War on Terror Essay - Students have been discussing in class a number of primary sources related to the war on terror and using torture. They should continue to analyze these resources and then write an essay.
